

HOW WILL YOU USE YOUR PATIO OR DRIVEWAY?

Here are some points to consider before selecting your samples.

FOR YOUR PATIO

- Do you want your patio to create a seamless transition between your house and garden?
- Do you want it to be in a sunny or shaded area?
- Does your busy life mean you need a low maintenance solution?
- Are you leaving enough room for integrated planting?
- Are you creating an entertaining space, or a peaceful sanctuary?
- Does it need to be child friendly?

FOR YOUR DRIVEWAY

- Is it practical for your family and friends?
- Is there enough room for cars and to access the road?
- Do you prefer traditional or contemporary?
- Do you want to add plants or shrubs to provide privacy?
- Have you thought about edging and lighting?
