DRIVESETT COPPICE®

Distinctive blended
colours for a unique finish

Drivesett Coppice Cedar & Pennant Blend with an Oak Blend border detail
Design & Install by Jason Clarke Classic Paving, Stockport.

Blended from light to dark in each colour mix, the single size pack contains five different blends which, when laid create an impression of multiple sized block paving. The blocks are lightly riven with an aged edge detail that creates a distinctive driveway. Popular block size for ease of installation and three versatile colours blended to suit a broad range of house types.

DRIVELINE PRIORA®

A patented permeable driveway solution

The affordable permeable driveway solution, available in a range of attractive and popular colour options to enhance every home. Driveline Priora manages driveway drainage by allowing surface water to pass through the joints directly into the ground below, therefore not overloading the drains and reducing flood risk. Due to this, no planning permission or additional drainage is required.
